 Available

## Before Making a Final Color Selection

The purpose of this color chart is to provide a basic representation of Rapid Response Flat Plate Concealed Cover Plate finish colors. This color chart shall not be used for final color selection, as color differences may occur in print and on monitors when compared to the actual product. Actual color selection should be made from a sample supplied by Tyco Fire Protection Products. Samples shall be prepared using same color applications, tools and techniques to assure consistency and accuracy. Please contact your Tyco Fire Protection Products representative for more information.
